Equality Statement:

At The BAWB Federation we work hard to ensure that the culture and ethos are such that, whatever the abilities and needs of members of the school community, everyone is equally valued and people treat one another with respect. Our schools provide pupils and staff with the opportunity to experience, understand and value diversity. In the operation of this policy, we will endeavour to ensure that all members of our school community receive equal treatment irrespective of their age, gender, race, colour, ethnic origin, family commitments, marital status, sexual orientation, disability or religious beliefs.

Distinctive Christian Vision

This policy has been written and/or adopted with our distinctive Christian ethos in mind:

Rooted in the message of the Good Samaritan, we provide an aspirational education for all. We flourish academically, spiritually, and socially.

Matthew 22v 37-39 (NEB): Love the lord your God with all your heart, with all your soul, and with all your mind. Love your neighbour as yourself.

Statement of intent

The BAWB Federation is committed to ensuring equal opportunities for all pupils, regardless of financial circumstances, and has established the following policy and procedures to ensure that no child is discriminated against by our offering of school trips, activities and educational extras.

In addition, we are committed to adhering to legal requirements regarding charging for school activities, and meeting all statutory guidance provided by the DfE. The policy, whilst statutory, contains guidance which is advisory.

We promise:

- Not to charge for education provided during school hours.
- To inform parents on low incomes and in receipt of relevant benefits of the support available to them when asking for contributions.

Legal framework

This policy will have consideration for, and be compliant with, the following legislation and statutory guidance:

- Education Act 1996 Last updated for Early Years 2011
- The Charges for Music Tuition (England) Regulations 2007
- DfE 13 Nov 2008 'Charging for School Activities' last updated May 18
- DfE 'Governance Handbook' March 2019 6.6.5 DfE Charging for School Activities

Charging for Education

We will not charge parents for:

- Admission applications.
- Education provided during school hours.
- Education provided outside school hours if it is part of the national curriculum, part of a syllabus for a prescribed public examination that the pupil is being prepared for by the school, or part of religious education.
- Instrumental or vocal tuition, unless provided at the request of the pupil's parents.
- Entry for a prescribed public examination, if the pupil has been prepared for it at the school.
- Examination re-sits, if the pupil is being prepared for the re-sits at the school.

We may charge parents for the following:

- Materials, books, instruments or equipment, where they desire their child to own them
- Optional extras
- Music and vocational tuition (in certain circumstances)
- Use of community facilities

Optional Extras

We may charge parents for the following optional extras:

- Education provided outside of school time that is not:
 - Part of the national curriculum.
 - Part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school.
- Examination entry fees where the pupil has not been prepared for the examinations at the school
- Transport, other than that arranged by the LA for the pupil to be provided with education
- Board and lodging for a pupil on a residential visit

- Extended day services offered to pupils

When calculating the cost of optional extras, the school will only take into account the following:

- Materials, books, instruments or equipment provided in relation to the optional extra
- The cost of buildings and accommodation
- The employment of non-teaching staff
- The cost of teaching staff (including teaching assistants) under contracts for services purely to provide an optional extra
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide vocal tuition or tuition in playing a musical instrument

The school will not charge in excess of the actual cost of providing the optional extra divided by the number of participating pupils. We will not charge a subsidy for any pupils wishing to participate but whose parents are unwilling or unable to pay the full charge. If a proportion of the activity takes place during school hours, we will not charge for the cost of alternative provision for those not participating.

Participation in any optional activity will be on the basis of parental choice and a willingness to meet the charges. Therefore, parental agreement is a pre-requisite for the provision of an optional extra.

Voluntary contributions

We may, from time-to-time, ask for voluntary contributions towards the benefit of the school or school activities. If an activity cannot be funded without voluntary contributions, we will make this clear to parents at the outset. We will also make it clear that there is no obligation for parents to make a contribution, and notify parents whether assistance is available.

No child will be excluded from an activity simply because their parents are unwilling or unable to pay. If a parent is unwilling or unable to pay, their child will still be given an equal opportunity to take part in the activity. If insufficient voluntary contributions are raised to fund an activity, and the school cannot fund it via another source, the activity will be cancelled.

We will strive to ensure that parents do not feel pressurised into making voluntary contributions.

The following is a list of additional activities organised by the school, which may require voluntary contributions from parents. These activities are known as 'optional extras'. This list is not exhaustive:

- visits to museums
- sporting activities which require transport expenses
- outdoor adventure activities
- visits to the theatre
- musical events
- visits to other schools
- After School Clubs
 - children may be asked for voluntary contributions towards refreshments for some clubs
 - children may be asked for voluntary contributions towards the cost of employing hourly paid professional staff/ sports coaches to run after school clubs.

Residential visits

If the school organises a residential visit in school time or mainly school time, which is to provide education directly related to the National Curriculum, we may request a voluntary contribution towards travel expenses and will make a

charge to cover the costs of accommodation, food and tuition. Parents who receive any form of state benefit may apply to NYCC.

Music tuition

All children study music as part of the normal school curriculum. We do not charge for this.

Music tuition is the only exception to the rule that all education provided during school hours must be free. The Charges for Music Tuition (England) Regulations 2007 allow for charges to be made for vocal or instrumental tuition provided either individually or to groups of any size – provided that the tuition is at the request of the pupil's parents.

The charges will not exceed the cost of the provision, including the cost of the staff providing the tuition.

Transport

We will not charge for:

- Transporting registered pupils to or from the school premises, where the LA has a statutory obligation to provide the transport.
- Transporting registered pupils to other premises where the governing body or LA has arranged for pupils to be educated.
- Transporting pupils to meet an examination requirement when they have been prepared for the examination at the school.
- Transport provided for an educational visit.

Residential visits

We will not charge for:

- Education provided on any visit that takes place during school hours.
- Education provided on any visit that takes place outside school hours if it is part of the national curriculum, part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education.
- Supply teachers to cover for teachers accompanying pupils on visits.

We may charge for board and lodging – but the charge will not exceed the actual cost.

Parents will be exempt from board and lodging costs if they can prove that they are in receipt of one or more of the following benefits:

- Universal Credit
- Income Support
- Income Based Jobseekers Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- Child Tax Credit, provided that Working Tax Credit is not also received and the family's income (as assessed by Her Majesty's Revenue and Customs) did not exceed £16,190 in the previous financial year
- The guarantee element of State Pension Credit
- An income related employment and support allowance

Families entitled to free school meals will receive a free place at a North Yorkshire approved residential centre.

Swimming

The school organises swimming lessons for all children. These take place in school time and are part of the National Curriculum. We make no charge for this activity, but we may request a voluntary contribution towards transport costs. We inform parents when these lessons are to take place, and we ask parents for their written permission for their child to take part in swimming lessons.

Education partly during school hours

If 50 percent or more of the time spent on an activity occurs during school hours (including time spent travelling if the travel occurs during school hours), it is deemed to take place during school hours and no charge will be made.

If less than 50 percent of the time spent on an activity occurs during school hours, it is deemed to have taken place outside school hours and we may charge for the activity; however, we will not charge if the activity is part of the national curriculum, part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education.

Residential visits: If the number of school sessions covered by the visit is equal to or greater than 50 percent of the number of half days (any period of 12 hours ending with noon or midnight on any day) spent on the visit, we will not charge for the activity.

The remission of charges for board and lodging payments is the responsibility of the school. These costs will be borne by our contingency funds.

Damaged or lost items

The school may charge parents for the cost of replacing items broken, damaged or lost due to their child's behaviour. Parents will not be taken to court for failure to pay such costs.

Parents will not be charged where a child has a disability.

Remissions

We have set aside a small fund to enable families in financial difficulty to send their children on visits/activities. The funding is limited and there is no guarantee that all requests can be met. Assistance will be allocated on a needs basis, and if the full cost of the trip/activity cannot be met through assistance funding and voluntary contributions, the trip/activity will be cancelled.

Parents in receipt of any of the following benefits may request assistance with the costs of activities:

- Universal Credit
- Income Support
- Income Based Jobseekers Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- Child Tax Credit, provided that Working Tax Credit is not also received and the family's income (as assessed by Her Majesty's Revenue and Customs) did not exceed £16,190 in the previous financial year
- The guarantee element of State Pension Credit
- An income related employment and support allowance

To request assistance, parents should contact the School Business Manager Mrs Kelly Boulton to make an appointment to discuss this with the headteacher.

Early Years (Nursery)

Funded Provision and Lunchtimes

All three year-olds are entitled to 15 hours EYFS provision up to the term in which they are invited to attend full-time education (the term after their 4th birthday) and some may be entitled to 30 hours EYFS provision which is means-tested.

Parents are entitled to choose which establishment receives that funding and may split their choice of provision and associated funding allocation (up to a maximum of two providers).

Sometimes, where pupils attend an additional EYFS provider, they may choose to take up further hours at our Bainbridge facility. This would incur an hourly charge. This is revisited annually in-line with the funding we receive per hour for each nursery child. This is built-in to our parental agreement document which parents complete annually. Similarly, children taking additional hours of provision beyond their entitlement are welcome to do so.

The current cost of this is **£5 per hour**.

In determining our nursery costing policy, note that 'funded hours' equate to quality educational provision (not simply child-care), though there is some flexibility to accommodate those who have not used their full entitlement (i.e. parents are not charged for lunchtime supervision if they are entitled to more hours than they have taken). In other words, we seek to minimise the cost to parents where possible.

Our nursery charges are as follows:

- £2 will be charged for all nursery children having lunch, irrespective of entitled or taken hours as this covers the cost of the meal.
- Children who have used their weekly allocation of hours and stay until 1:00pm, will be charged a further £3 (30 minutes of childcare between 12:30pm and 1:00pm).
- Children who have not used their weekly allocation of hours will not be charged this additional £3.
