

**2019**

For 6-10 year olds

August 5th - 9th

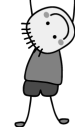

Monday - Friday

10am - 3pm

At Askrigg primary School

King's Club is a five day summer holiday club based at Askrigg Primary School. The theme this years is 'TeamBuilders' and will involve the children discovering how God's people worked together (or not) through different bible stories. God's team needs everyone, along with their different gifts, to function together and discover the amazing truth about Jesus! It will be fast moving and lots of fun with games, videos, craft, music, puppets and drama. Rev Phil & Janet Clarke from Catterick Village and a large team of local Christians will be over seeing the week. All leaders have an up to date DBS and have completed safeguarding training.

The final activity will be a barbecue at the school on Friday, August 9th from 6pm-8pm to which everyone is invited. We hope this will enable you to share in some of the fun of King's Club!

Running alongside King's Club (but independently) will be King's Club Extra for 11-16 year olds (school years 6-11) held at Low Mill Outdoor Centre and the cost is slightly more at £37. Application/consent forms are available from me (details below) or on the website: [www.nydalesmeth.org.uk](http://www.nydalesmeth.org.uk)

We provide bus transportation up and down Wensleydale, and we work on a first come first served basis. Your acknowledgement of application/receipt will indicate your child's pickup and drop off point. Further details, including bus times, will be sent out in July.

The cost will be £32 per child. However if you apply before the 30th June we are offering a £5 discount so book early and your child can come for £27. If not please return the application/consent form before 26th July. You will receive an acknowledgement of your child's application within the week. We can offer financial assistance for some who need it. Please contact me to find out if this is available.

Please don't hesitate to contact me if you need further information about anything, my contact details are below.
