## Sustainable Travel Art Competition

### What do we want to see?

The North Yorkshire County Council

Sustainable Travel Team would like to invite primary school pupils to create a piece of artwork to inspire others to get more active through healthier, environmentally greener journeys.

**Key Stage 1: An example of this could be how walking, cycling and scooting has made you feel happy.**

**Key Stage 2: An example of this could be positive changes you have made over the last few weeks, while enjoying your walking, cycling or scooting journeys.**

You may use any material (new or recycled) and any process, for example drawing, painting, photography, computer aided design, or collage. Your artwork needs to be able to be photographed and suitable for an A4 picture frame.

**Prizes for each Key Stage Include:**  
Overall winner: £50 Amazon Voucher  
5 Runner Up prizes of £25 Amazon Vouchers  
Plus: One overall winner wins a Scooter Pod for their school
