

FAO Parents of Year 6 Pupils

Dear Parent/ Carer

You can apply for a secondary school place for your child from 12 September 2020 and you must submit your application by 31 October 2020

This information is for families living in North Yorkshire who have a child born between 1 September 2009 and 31 August 2010 as your child is due to transfer from primary to secondary school in September 2021.

Families living outside North Yorkshire will need to contact their own home Local Authority to obtain the information regarding school admissions and to make an application to the Authority where they live.

The information on the website regarding the application process will be updated by 12 September 2020 at www.northyorks.gov.uk/admissions. Including:

- the criteria used by the local authority to allocate school places at maintained schools
- links to the admission arrangements for schools which are their own admissions authority, such as certain academy schools and voluntary aided schools
- specific school information including the number of places allocated and statistics for the 2020-21 academic year
- eligibility for home-to-school transport
- the online parent portal where you will be able to create an account and apply online for a school place.

It is important that you read all of the information on the school admissions and transport pages before completing the online Common Application Form (CAF).

Online applications - you will need to:

- create an account if you do not already have one (you will receive a verification registration email);
- if you already have an account you can reset your own password, we cannot do this for you;
- log back into your account to add your child's details, select the round you are applying for ie Secondary School Transfer – September 2021*. You can then add your school preferences and other details;
- submit your application. When you have submitted your application you will receive an email confirming that the Authority has received your CAF, keep this as proof you have made an application. Please contact us if you do not receive an acknowledgement.

***The school round that is available is specific to your child's date of birth (dob), if it is not showing after you have added your child's details please check that you have input their dob correctly. If your child is out of their chronological year group you will need to email us for a paper version of the form.**

Think carefully before you submit your preferences as you will not be able to change them online once you have submitted your application. **If you wish to make changes after you have submitted your application you will need to complete a 'changes to submitted school application form'. This will be available online at [Filling in the common application form | North Yorkshire County Council](#) alternatively, you can request a paper copy of the form and return this direct to us, contact details overleaf.**

Paper CAF - if you do not have internet access, you can request a paper copy of the information for parents and application form, contact details overleaf.

The deadline for receiving applications is 31 October 2020. After this date your CAF will be treated as a 'Late Application'.

Late applications - any CAF received after the 31 October 2020 will be considered late unless you provide a genuine reason for late submission. Late applications for a school place are dealt with after those received on time and this could affect the allocation of your child's school place, for more details see

www.northyorks.gov.uk/lateapplications. Reasons for a late application need to be put in writing via email (see contact details below).

National Offer Day - Confirmation of the school place allocated to your child will be sent to you on 1 March 2021. If you applied online you will be able to log back into your account to view the school place that has been 'offered'. An email notification will be sent during office hours on 1 March 2021. If you submit a paper application, allocation letters will be sent out by second class post on 1 March 2021 and could take up to 3-5 days to arrive. Please note, we are not able to advise anyone of their child's school place over the telephone.

If we are unable to allocate a place at your preferred school, you will be entitled to an admission appeal in line with current legislation. Appeal forms are available on the website at www.northyorks.gov.uk/admission_appeals or by contacting the Admissions Team on 01609 533679.

Should you need more information about individual schools before completing a CAF, a prospectus can be obtained directly from the school concerned. Please check the information on the website carefully as some denominational schools and Academy schools require the completion of a **Supplementary Information Form (SIF)** to enable them to assess your application in accordance with the school's admission policy. Failure to submit a SIF will result in your application being considered after all other applications where a SIF has been provided. A SIF is not an application for a school place and you will still need to apply via the Local Authority.

You must complete a CAF regardless of the type of school you are applying for (academy, community, aided, trust or foundation).

If you wish to apply for a place at a school in another Local Authority area, you must list this on the NYCC common application form and we will liaise with that Authority in accordance with the coordinated admissions arrangement scheme.

We strongly recommend that you include a preference for your catchment school (or schools where there are more than one school for your home address such as in the Harrogate area), in case your preferred school or schools are oversubscribed and we are not able to offer your child a place. If you do not list your catchment school(s) you may be allocated a school which could be some distance from your home and you will be responsible for transport arrangements and costs.

You should keep all correspondence that you receive, including emails and acknowledgements, as you may need these should you wish to appeal if we are not able to allocate your child a place at your preferred school.

Yours sincerely

Lisa Herdman

Lisa Herdman
Business Support Manager

We encourage you to apply online to benefit you in the following ways:

- you can access all the information on school admissions and transport on our website in the convenience of home, work, North Yorkshire libraries and via WiFi
- you can view your application at any time before you review and submit it.
- once submitted you will receive an email confirming receipt of your application, remember to keep it as proof
- on National Offer Day, 1 March 2021 you can log back into your account to view the school that has been 'offered' and you will also be notified by email during office hours.
