Christmas Performance 2017 – Further Information

Dear parents/ guardians,

Thank you to everyone who has given their support so far towards the Askrigg and Bainbridge 2017 Christmas production. As I am sure you can imagine, things are moving quickly. We have some very exciting ideas in the pipeline, these will be shared nearer the launch. We have acquired the voluntary services of Mike Barber, a professional Filmographer and Tippy Watson a professional photographer and event manager for this production, we thank them for their support and help.

I am writing this letter to give you all notification of a few key dates. It is important that filming starts within the next couple of weeks, and we have certain aspects to prepare in order to ensure we follow our project schedule. With this in mind I give notification about:

Costumes:

Children were sent home earlier this week with a picture of how they should look alongside their roles, this was given as a guide and does not need to be followed exactly. I also asked pupils to have a look at home for anything they may have, or be able to acquire for their costume. **Can I ask these costumes/ items are please in by next Wednesday?** These costumes do not need to be complete, but please bring in what you have, if you need extras to add to the costume, through support of the PTFA and parental support we may be able to help. I understand this is a tight deadline, however, your support in this would be really appreciated.

Props:

We have had many offers of donations of props, which is amazing, can I ask that any donations of props be brought into school (Askrigg) by next Wednesday, they will be kept securely at school.

Permission

Finally, we need permission from you all to film the children for the purpose of this DVD/ Film Production. Overleaf is a permission slip, can you ensure this is completed and returned ASAP. A filming schedule will be sent out with next week's newsletter.

I look forward to working with you all, and thank you for all the support shown.

Kind regards,

Russell Billingham
