STAGE 1 CYCLES

& ROAD

Dear Parents,

We are delighted to be able to restart the BAWB federation bike club from Monday 26th February, at Askrigg School from 3:30pm – 4:30pm.

This year the club will be an affiliated British Cycling Go-ride club. This affiliation recognises that the coaching is of a high standard and gives older children the opportunity to participate in inter-school competitions, events and gain recognised qualifications.

We remain committed to ensuring the club is accessible by all ages and abilities and is open to children from the three schools (Reception – Y6 inclusive) who can ride a pedal bike independently without stabilisers. KS2 children are encouraged to continue to access the club as their experience and support of younger children is invaluable. In addition, we hope that our links with British Cycling will offer different challenges and experiences for this cohort of older pupils.

Bikes are available to borrow for pupils that require a 20" or 24" frame size bike. **They must be pre booked through school using the attached form.** Helmets are also available.

The sessions from 26th February through to Easter, (5 weeks) will cost a total of £12.50; the funds are retained by the school to help with the maintenance cost of the school bikes which are used for bike club, Bikeability training and other school cycling activities. Once you have been allocated a place in the club, the payment item will be added to your Parentpay account.

My huge thanks to Kirsten Civil and Mike Allenby who support me in delivering this club and give up their time voluntarily.
