or email
yes@richmondschool.net**Summary of the event:**

A review of the training (19.01.18) by Judi Hornigold on 'Dyscalculia—A Specific Learning Difficulty in Maths' and Penny Topsom creator of 'Multiplication Rules'.

What can you expect from the training?

- Top ten tips for supporting your child struggling with maths.
- An understanding of how to use 'Multiplication Rules' to support times tables knowledge.

As a result of the workshop you will:

- Have practical strategies to support your child with maths difficulties / dyscalculia
- Receive a free copy of 'Multiplication Rules' by Penny Topsom

Training led by: Kath Lawson—YES @ Richmond School

Kath is a specialist teacher for Cognition and Learning who provides outreach support for primary and secondary schools. She is member of PATOSS, a committee member of the British Dyslexia Association New Technologies Committee and an Area Representative for the BDA. Kath co-wrote the NYCC Document Supporting Students with Coordination Difficulties, after completing a MA (SEN) at Leeds University with Prof. David Sugden, and was instrumental in the development of Richmondshire & Hambleton Inclusive Sports.

As a parent of a son with specific learning difficulties, Kath has an interest in promoting the importance of schools and parents working in partnership to support learning. Kath is a regular contributor to the YES @ Richmond School website and Twitter feed.
