In Collaboration with Aspire Dance by Victoria Sellers, YES @ Richmond School are hosting a 6-week dance and theatre project, designed for all abilities.

The aims are:

- To bring children of all ages and abilities together in a creative exploration of dance themes.
- To provide an opportunity for expression and individuality through dance.

If you are aged between 5 and 15 and **LOVE TO DANCE**, this is a project that you will enjoy. We will explore a variety of starting points for dance and through creative movement workshops and physical development of skills, we will create a final work for camera.

Workshop size is limited to 25.

**Training led by:****Victoria Sellers—ASPIRE Dance in Education**

Victoria has 20 years experience teaching dance across all ages in schools. She taught and examined dance at advanced level qualification but more recently has chosen to concentrate her teaching within the primary schools with the aim to build creativity and boost learning and self-confidence through dance. Aspire Dance is her new company, coming into its second year soon, with classes focused in creative contemporary dance.
