Finance update discussed.

Paid Out = £2108

Taken = £1969

Running Costs = £407

Current Balance = £4696 (not including the ring fenced money, which will go back into the pot)

but still awaiting invoices from some big requests such as:

Swimming = £766.64 (KS2) (- 1 week due to the snow)

Swimming = £766.64 (KS1)

Marrick Priory trip = TBC

Carlton Lodge Trip = TBC

Easter Egg Competition = £70

We currently have some money ring fenced for various projects and the projects have not been as much as initially thought. It was agreed that this money should go back into the pot and then a new funding request should be raised.

The Petty Cash money which we have allocated to each Class (£50.00) will be handed over as cash for the teachers to spend on the children in the classroom.

We need to continue the amazing fund raising we do, to ensure we can keep positively responding to the funding requests which come in from the schools.

Funding Request:

Urgent funding requests will go out via Facebook and email, thank you so much for responding so quickly.

If funding requests can wait we will discuss them at the PTFA meetings, this meeting had a funding request for a buddy bench at all 3 schools, costing £200 each.

It was agreed we need to get 3 quotes for these benches, can they be made locally? and are there already some at any of the schools we could replicate?

Fund raising ideas and actions:

* The curry night was a fantastic, tasty evening and we would love to have another one of these in the future. Thank you again to everyone at The Wheatsheaf in Carperby for organising this.
