Dear Parent/Guardian,

**HOME TO SCHOOL TRANSPORT: RENEWAL OF HARROGATE/RICHMOND AREA  
SERVICES**

The Council's Integrated Passenger Transport Team is responsible for arranging home to school and public transport services throughout the county.

We have an established programme to review contracts for transport services and they are renewed by tender through a four year rolling programme. I am writing to let you know that a contract renewal programme is being undertaken in your area during 2018 for implementation in April 2019. All taxi and bus routes will be renewed and new contracts implemented as necessary.

Route scheduling is now underway and I am writing to advise that this may mean a change to operator, route and timings of your transport from April 2019. We are hoping to minimise change as much as possible but where we propose a significant change to a service we will notify you separately.

Should you wish to make any comments concerning the renewal of contracts please email me at [schooltransport.services@northyorks.gov.uk](mailto:schooltransport.services@northyorks.gov.uk)

Yours Sincerely

Nicky Moseley  
School Transport Officer
