Dear Parents and Carers,  
 Welcome back, we hope you had a restful half term, ready for the busy half term ahead!

**Panathlon Challenge**

On Thursday Harvey Kirkbride, Micheala Handley, Poppy Bergs, Joseph Booth and Alex Spence attended the Panathlon challenge at Richmond School.

This was a day of sporting activities that involved challenges that were to be completed as part of a team. Mr Stokes, Mrs Alderson and Mrs Fawcett attended with the children and said how incredibly proud they were of the children, they demonstrated impeccable manners and had a positive approach towards every challenge. This was recognised by staff from other schools too which is fantastic, well done to them all.

The children came fourth overall and are proudly wearing their medals in school today. We would like to say a huge thank you to Mr Stokes for organising the day and providing the opportunity for our pupils.

**PTFA Christmas Fair – 24 November**

PTFA say, "Don't forget it's the Askrigg and Bainbridge Christmas Fair on Saturday 24th November from 10am to 2pm. All are welcome so please come along, start your Christmas shopping and support our event. We are looking for donations of mince pies (shop bought is fine; we are all busy!), chocolate for the tombola and bric-a-brac (good chance for a clear out before Christmas). You can leave these donations at the school offices. We will also have a cake stall so if you could get baking and bring on the day that would be wonderful!"

**Children in Need - Friday 16<sup>th</sup>**  
**November Wristbands and Keyrings**

Thank you to Mrs Fawcett for meeting with the school council to plan and organise this.

Eidur writes: *This year for Children in Need we will be wearing inside out clothes and we will also sell keyrings for two pounds and wristbands for one pound. You can wear any clothes but they have to be inside out. At school, we will ice a bun that has been made by the school council and also we will decorate a headband. We will put the things on sale on Monday the 12th November.*

*You have to buy your wristbands or keyrings at the school where you are taught so reception, nursery, year 1 and 2 and at Bainbridge key stage 2 at Askrigg and West Burton. You will have to donate to come in with no school uniform on the day. You can buy your keyring or wristband at playtime.*

**Bike Club**

We would like to thank Helen Pollard and the team at Stage 1 Cycles for the opportunities they offer our pupils. Please see details below for some exciting activities planned for the bike club pupils.

**Monday 12 November** – Helen Pollard will be taking a number of pupils off site from Askrigg to Low Straites, leaving at 3pm and returning no later than 4:30pm.

*Consent letters have already been sent to the pupils involved.* It would be appreciated if these could be returned on Monday.

**Monday 19 November** - Helen is planning to take ALL of the bike club out on a short ride on the 19th November, going from school to the section of railway track on Lowlands Farm, to return no later than 4.30pm. It would be very helpful if we could have a parent to help on this date who would be happy to walk with us and help the group across the road. A letter regarding this will be sent to parents of children who attend the club.

**A message from Helen:**

*'The last bike club session for this year will be on 26th November. The light is beginning to become too poor. We will restart after February 1/2 term – dates to be confirmed.'*

## From the Log Books

School log books are held in our schools and they are a marvellous record of social, and educational, history. We will reproduce extracts in this section. This week's is from West Burton's log books.

**10 November 1933:** A holiday was given in the afternoon, being a merit for October. A lesson was given in the morning on Armistice.

## West Burton's Newsflash

This week, Skylarks have been working very hard. We've started our new class story, 'Carrie's War' By Nina Bawden. It's really good!

On Monday, in the afternoon instead of Mr Crabtree coming to teach us Computing, we did RE and French with Mrs Robinson.

In RE we made up some phrases that if everyone lived by, the world would be a better place. Then in French we learned about Families.

On Tuesday morning, we went swimming again. Darcy and I swam 25 Metres down the middle of the pool.

Moving on to Wednesday, we did Science. Year 5/6 focused on the circulatory system. We all drew an organ/part of the body. I drew the stomach. Because Chloe was the heart she had a special part in the game. We had empty blood cells and ones filled with Oxygen, Water and Nutrients. We had to go to the heart, get a full cell, replace it with the empty one and repeat!

Y3/4 learned about teeth and all the names of them. They went on Kiddle to do further research to learn more and then drew their own pictures.

This weekend there are Remembrance Services at Aysgarth Church to commemorate 100 years since the end of World War 1

Songbirds will be singing on the Saturday with Charlotte and Abigail reading their poems and on Sunday Chloe and I will be reading the second part of the exhortation. We hope to see you at these services.

## EYFS

This week has been full of seasonal activities that come around every year at this time:

- Fireworks painting
- Poppy making
- Bonfire burning
- Tummy bug spreading

All done with great gusto.

If your child is sick please don't send them to school for 48 hours.

We have made smores on our bonfire and talked about safety. We have done positional language in maths and lots of writing. Lots. We have had several letters form the police asking for help. We have searched for stolen fireworks, written posters telling the thieves to stop and made jails for when we catch them.

Another profession that we have embraced this week is teaching. The children have made their own registers and phonics board. There are occasions when the teachers ask the question "Do we really say that?" I guess they do! Aren't teachers funny!!!
