

Children's Christmas Card Competition

The Northern Echo is giving children the opportunity to design a Christmas scene and greeting for its 2018 digital Christmas card competition.

To enter, simply design a festive Christmas scene and send it to us! There are three age categories; 4-6 yrs, 7-10 yrs and 11-14 yrs. The person creating the artwork that receives the most votes through the voting line (as published in The Northern Echo in November) will win a £200 shopping voucher and 30 printed copies of their design to send to friends and family.

All you have to do is paint or draw a colour Christmas scene complete with Christmas greeting on an A4 sheet of paper. Once completed, fill in the coupon to the right and send them both to: The Northern Echo Christmas Card Competition, The Northern Echo, Priestgate, Darlington, DL1 1NF by November 7. Please don't write your contact details on the picture itself. All entries must be received by noon on November 7. After the closing date, a panel of judges will pick the best entries to appear in the paper and readers will be invited to vote for their favourite by text or phone. The winner will be announced in the Northern Echo in December.

Competition rules: Children of Newsquest (Darlington) employees and their immediate families are not eligible to enter. The judges' decision is final and no correspondence will be entered into; the age category winners will be those who receive the most votes in the text and phone poll within their age category; the overall winner will be the person creating the piece of artwork that the judges judge to be the best overall from the three age group winners; all entries must be signed by an adult and all entrants must be willing to take part in all publicity in connection with the competition. Usual Newsquest (Yorkshire & North East) Ltd competition rules apply.
