Dear Parent/Carer

As part of the national childhood immunisation programme your child is being offered the seasonal nasal flu vaccination (Fluenz Tetra). We hope that you have already received information about the benefits of the flu vaccine from our team in recent weeks. However, we were unable to vaccinate your child today as we have not yet received a valid consent.

If you would like your child to receive the nasal flu vaccination please feel free to attend one of our drop-in clinics.

Our local drop-in clinics are listed below.
