Dear Head Teacher

### Digital Christmas card competition

I write to let you know about our Christmas card competition that you might like to incorporate within your classroom activities for Christmas.

This week we are inviting school children from across the area to design a Christmas scene for our 2018 digital Christmas card competition.

The competition is open to children aged four to 14 with three age categories, 4 to 6 years; 7 to 10 years; and 11 to 14 years. The closing date is Wednesday 7th November 2018. Some of the best entries will feature in a special The Northern Echo supplement in November. The winners, as voted for by The Northern Echo readers, will be announced in The Northern Echo during December. The person that is judged best overall from the three age group winners will receive a £200 shopping voucher, there will also be runners up prizes. The Christmas Card should be created on an A4 sheet of paper, once completed fill in the coupon and attach it to the picture. **Please don't write your contact details on the card design itself.**

Further details are attached along with a supply of entry forms. Please feel free to copy these as necessary. If you would like us to provide extra copies or if you require further information please do not hesitate to contact Sarah or I on 01325 505287.

I look forward to seeing the fruits of your pupils' labour!

Yours faithfully

Veronica Thompson
