

THE WENSLEYDALE SCHOOL  
& SIXTH FORM  
LEYBURN

**JOIN US FOR OUR  
OPEN EVENING  
THURSDAY 3 OCTOBER.**

Come and meet staff, look around our school  
and find out about the exciting opportunities  
for your child. Refreshments will be available

**A STRONG COMMUNITY WITH  
BIG AMBITION**

Wensleydale School and Sixth Form is here for one reason, to help all of our students realise their dreams.

To do this, we make sure that our young people feel part of our safe and caring community and challenge them to grasp every opportunity that their education offers. They can then leave us with the strongest possible set of exam results, outstanding inter-personal skills and a real understanding about where their passions and talents lie.

At Wensleydale there are tangible outcomes to show that we are setting our standards high. Ofsted has praised the work that we do. Our students not only achieve some fantastic

results, but they leave us as young people our community can rightly be proud of. In addition, we regularly compete and excel against schools much bigger than ourselves. We also have a fantastic Business and Innovation Centre to help our students become the lifeblood of the Dales economy.

The best way to get a feel for our school is to speak to our staff and students. They are the biggest testament to the strength of our community. So please do come to our Open Evening to say hello!

We are a school where we are not just proud of what we have achieved, but we are proud of how we have achieved it.

**Julia Polley**  
Headteacher

**Open Evening**  
**3rd October**  
**2019 at 6:00pm**
