Dear Applicant,

So you think you might be interested in applying for our teacher vacancy? Read on; this is a privileged job in a thriving federation within an experienced team. We have flexibility to move staff around our three schools so the successful candidate will be placed according to his/her strengths.

We are well placed to support an NQT or someone in the early stages of their career but we also welcome applications from more experienced MPS teachers.

Bainbridge, Askrigg and West Burton Schools are a well-established partnership and, as such, this represents a fantastic opportunity for professional development and to be part of a forward-thinking and highly successful team. The highly effective collaborative work between our schools is recognised by our local authority; validated in our recent 'good' Ofsted inspections at all three schools.

We are highly committed to a thorough programme of professional development for all staff and place a great deal of importance on improvement opportunity.

All three schools, situated in the heart of Wensleydale, boast strong community links and attractive, unique premises and facilities and you are very much encouraged to come and have a look around.

We are looking for an excellent teacher to join our staff. You will be joining a team of teachers, teaching assistants and support staff with a range of experiences and skills who share a passion for meeting the needs of all our children. If you believe in an inclusive education, are an excellent classroom practitioner, and excited about teaching children we would love to hear from you.

Please read alongside:

- Application Form
- Job Description
